

THE ART OF BEING SOCIAL 2019

SUMMER EXPERIENCE for AGES 5-8

Melodic Connections provides a unique week-long summer camp in conjunction with leading arts partners. Campers will spend their day engaging in custom designed dance, theater and music-based enrichment. We support each camper's abilities and provide opportunities for positive social interactions.

Dance - Bravo! Move your body using ballet-inspired dance steps. Led by certified dance instructors from Cincinnati Ballet. Practice balance, flexibility and coordination while increasing body awareness and building confidence.

Theater - Encore! Use theater techniques and role play to express the real you. Led by certified acting instructors from Ensemble Theatre Cincinnati, campers will learn give and take communication, facial expressions and movement in a peer supportive environment.

Music - Rock on! Gain confidence and have fun exploring music with friends. Led by board-certified music therapists and qualified music professionals from Melodic Connections, campers will play instruments including guitar, keyboard and drums. They'll sing, move to music and explore musical books and sensory songs.
