

VIBE TRIBE 2019

PRE-TEEN HANGOUT for Ages 9-12

Melodic Connections provides an opportunity two nights each week in June and July for pre-teens to gather, socialize and participate in guided experiences with music, dance and theatre. Created in conjunction with leading arts partners Ensemble Theatre Cincinnati and Cincinnati Ballet.

It's time to let loose! Vibe Tribe is about having fun and making friends through structured social time and instruction of music, dance and theater. Sessions take place in the Melodic Connections warehouse, which is stocked with instruments and music technology. Based on your camper's interest, select either a Dance/Music or Theater/Music week.

Music: Participate in guided instrument play and explore music technology in a garage band-type atmosphere.

Dance: Practice balance, flexibility and coordination while increasing body awareness and building confidence.

Theater: Use theater techniques and role play to express the real you. Learn give and take communication, facial expressions and movement.
